ABOUT US

Royal Strathclyde Blindcraft Industries (RSBi) is a unique organisation with exceptional resources and a very varied capability. We provide a comprehensive design and manufacturing service offering customers access to bespoke products.

Over the years our reputation has been forged through the supply of a vast range of high-quality products at exceptionally keen prices. Our fantastic design and installation teams will deliver great options and will oversee all stages until final design.

With all products manufactured on site, we can maintain stocks and guarantee availability across ranges at competitive prices.

From its roots as a supported factory for the visually impaired, RSBi – the manufacturing division of City Building LLP - is today committed to providing employment opportunities for people with disabilities, as well as helping towards the economic regeneration of the local community and beyond.

This contribution makes RSBi one of the country's leading examples of social enterprise, combining commercial success with socially responsible practices.

RSBi offers comprehensive design and manufacturing services including bespoke projects for:

- Office furniture
- Educational furniture
- Kitchen units, doors and adapted furniture for customers with individual needs
- Timber kits for new build houses, schools and care facilities
- Storage solutions
- Beds and soft furnishings
- Student and furnished accommodation
- UPVc windows and doors

A kitchen is at the heart of every home. an appealing and attractive kitchen is high on the 'wish list' for everyone, whether private dwellings or in affordable housing. at the same time, a kitchen has to deliver in terms of performance, standing up to the daily rigours of constant use.

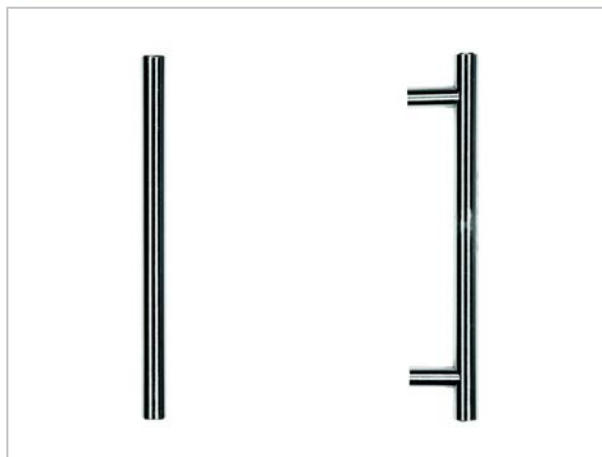

WHY CHOOSE RSBI KITCHENS?

- Customers trust our brand for design appeal, durability and quality.
- Our design team offer total customer service and support offering a complete package to meet your specific requirements.
- Customers can determine the quality and choices available through the provision of sample boards or at our showroom, while benefiting from our competitive prices.
- We have kitchens to suit every budget or design style whether traditional or contemporary which means you have the flexibility to create a unique tailor-made kitchen.
- We can also offer specific custom-designed ranges and specialist units for various special needs and assisted living adaptations.
- All our kitchens are manufactured in our factory in Glasgow and we offer a collection of work surfaces and accessories to enhance your kitchen experience.
- We only source timber from responsibly managed forests which are FSC certified and take our environmental impact and sustainability very seriously conforming to ISO 14001.
- As well as offering a 10 year guarantee, all cabinets are manufactured to comply with BS6222 (part 2) 1997 to level H (Heavy Domestic), with many ranges carrying the FIRA Gold Award certification.

All are 588mm in depth and 880mm in height

KITCHEN SPECIFICATION

- All base units and wall cabinets are manufactured from 18mm core board to BS EN 312.
- All exposed edges are lipped with 2mm edging.
- Base units have a service gap of 68mm for plumbing requirements.
- The units are constructed with a metal core and dowel construction.
- All base units have adjustable legs to cope with uneven floor finishes and prevent cabinet bases from water damage.
- All wall cabinets have fully adjustable brackets for trouble free installation.
- All units are fitted with 170 degree fully concealed 3-way adjustable hinge allowing perfect alignment.
- The hinges are proven over 80,000 cycles and have been tested by FIRA to BS 6222 Part 2 level H and have a ten year's manufacturers guarantee.
- The drawer range uses its epoxy coated steel sides, combined with a 15mm MFC bases and backs for extreme rigidity. The drawers run on long lasting smooth, double nylon roller and are tested over 80,000 cycles. The system is tested by FIRA to BS 6222 Part 2 level H

RSBi have a designated design team of CAD design engineers including one interior designer, to provide product development across our portfolio, as well as designing new or bespoke offerings. The design team are at the forefront of product development with the overall objective of offering customers contemporary and cost effective solutions.

BESPOKE

PUBLIC SECTOR RESERVED CONTRACTS

RSBi is a supported business, in that more than 50% of its workforce have a registered disability. Public sector bodies using public sector procurement processes have the ability to reserve contracts using Article 19 Legislation which allows for a tender process amongst supported businesses only. Using this procurement legislation will help sustain vital employment for people with disabilities.
