#### **Role Summary**

Joiners are valued employees of the Operations Division.

You will be employed within our modernised Responsive and Emergency Repairs Service.

This post involves attending both emergency and diary appointments and taking repairs to completion, utilising handheld technology, controlling material stock in vehicle to allow first time fix and demonstrating excellent customer service to a variety of clients.

Applications are sought from experienced Joiners who are drivers therefore a full driving licence is essential. You should have significant experience of working in the customer focussed repairs service delivery sections with a flexible approach to ensure a high-quality service.

You must ensure that the works you carry out are conducted safely, and you always deliver exceptional customer service for our clients, including care for the property and your area of work.

You will be expected to have a "get it right first" approach to works, you will be expected to conduct all works to the highest standards of safety, and quality.

You will carry out all aspects of these works in line with the current building standards, ensuring compliance with all health and safety legislation, and all relevant City Building policies.

You will be responsible for ensuring that all materials, plant, and tools necessary to complete jobs are available, and that stocks are replenished and are controlled. You will be expected to ensure your material stock inventory is up to date at all times.

You must ensure that the works you carry out are conducted safely, and you deliver exceptional customer service for our clients at all times, including care for the property and your areas of work.

At the date of preparation this role profile provides a comprehensive overview of the position. It is not an exhaustive list of all possible duties, and it is recognised that this role may evolve over time. Consequently, this is not a contractual document, and the post holder will be required to perform any other duties to the equivalent level that are necessary to fulfil the purpose of the job.
