Role Details			
Role Title	Health and Safety Officer	Section	Healthy, Safety and Environmental
Division	Support Service	Report To	Healthy, Safety and Environmental Manager
Grade/Salary	SP36-39 (£43,083-£46,867)	Date Completed	26 June 2025

Company Overview

City Building provides a range of repairs and maintenance, manufacturing, construction and refurbishment activities for Glasgow City Council and Wheatley Housing Group's citizens and customers as well as other public, private and third sector organisations.

City Building operates both the largest construction craft apprenticeship programme in Scotland, and Royal Strathclyde Blindcraft Industries (RSBi), one of the largest supported manufacturing businesses in Europe, around 200 people, more than 50% of whom have a disability.

Our accreditations include, ISO45001, ISO 14001 and ISO 9001:2015. We are current recipients of a Queen's Award for Enterprise Promoting Opportunity and Investors in Young People Platinum award. Both these accolades recognise our focus on investing in and growing a skilled staff base.

Our Values

Excellence: to deliver quality in everything we do.

Honesty: to be open, honest and transparent with all stakeholders, promoting partnerships and sustainability.

Trust: to be trusted by our employees, clients and partners.

Inclusion: we are a welcoming, diverse and supportive organisation, that supports all to reach their full potential by building trust.

Community: to play an important role in the communities of Glasgow we serve. Providing first class services together with jobs and training opportunities for local people.

Ambition: to build a culture of excellence, through continuous improvement to deliver outstanding services for all of our customers. All whilst being an employer of choice within the city providing high quality and skilled jobs

Our Vision

Our residents, customers and partners will recognise us as delivering outstanding levels of customer focus, quality and value. We will play a key role in supporting our members to address our common priorities through our unwavering focus on resident/customer resident satisfaction, resident/customer value and resident/customer trust. In doing so we will be recognised by our residents, customers and partners as playing a significant role in making Glasgow a great place to live.

Role Summary

The Health and Safety Officer is a key position within the organisation, within the Health, Safety and Environmental team, reporting to the Senior Health & Safety Officer.

The role will cover all aspects of Health and Safety Management and specifically the provision and implementation of the Health and Safety Management systems for the business. To ensure that all health and safety legislation is adhered to, and policies and practices are adopted by offering expert knowledge and skills in order to generate and promote a positive health and safety culture within the organisation.

You will add value and be expected to play a key role in the Health and Safety team.

You will provide advice and guidance to our operational divisions in all aspects of Health and Safety Management and working within our ISO 45001 management systems.

You will assist with ensuring the effective liaison between the divisions in support of the business and will provide professional advice and guidance on all Health and Safety matters.

Other elements of the role will be to carry out Fire Risk assessments, health and safety audits, inspections and investigations of accidents and incidents, ensuring the implementation of any corrective, preventative and/or remedial actions as necessary. In addition, you will assist operational managers in the areas of CDM, asbestos with the ability to develop and deliver effective health and safety training sessions.

At the date of preparation this role profile provides a comprehensive overview of the position. It is not an exhaustive list of all possible duties, and it is recognised that this role may evolve over time. Consequently, this is not a contractual document, and the post holder will be required to perform any other duties to the equivalent level that are necessary to fulfil the purpose of the job.
