Our Values			
<p>Excellence: to deliver quality in everything we do.</p> <p>Honesty: to be open, honest and transparent with all stakeholders, promoting partnerships and sustainability.</p> <p>Trust: to be trusted by our employees, clients and partners.</p> <p>Inclusion: we are a welcoming, diverse and supportive organisation, that supports all to reach their full potential by building trust.</p> <p>Community: to play an important role in the communities of Glasgow we serve. Providing first class services together with jobs and training opportunities for local people.</p> <p>Ambition: to build a culture of excellence, through continuous improvement to deliver outstanding services for all of our customers. All whilst being an employer of choice within the city providing high quality and skilled jobs.</p>			
Our Vision			
<p>Our residents, customers and partners will recognise us as delivering outstanding levels of customer focus, quality and value.</p>			

We will play a key role in supporting our members to address our common priorities through our unwavering focus on resident/customer resident satisfaction, resident /customer value and resident/customer trust. In doing so we will be recognised by our residents, customers and partners as playing a significant role in making Glasgow a great place to live.

Role Summary

The Plumber is a key member of the Operations Division, working within the Investment section to deliver high-quality Kitchen & Bathroom installation services across the social housing sector. This role involves installing, replacing, and maintaining sinks, WHB, toilets, baths and showers and all associated pipe work while ensuring excellent workmanship, compliance with building regulations, and a strong commitment to customer service. This role also requires the installation and alterations on gas pipe work to allow for the installations of gas hobs/ovens. You may also be required to carry out all other aspects of plumbing works as and when required.

The post holder will be responsible for carrying out installations and associated works to a high professional standard within occupied and void properties. This includes working to tight timeframes within a small team of various trades.

Applicants must be experienced Plumbers with a customer-focused approach and the ability to deliver quality work within agreed timescales. A full driving licence is essential, as the role requires travel to various work locations.

The successful candidate must ensure all work is completed safely, following current building standards, Gas Safety, (Installation and Use) Regulations 1998, health and safety legislation, and organisational policies. Care for tenants' homes, maintaining a clean and safe work environment, and delivering excellent customer service are essential aspects of the role.

This role requires the ability to work both independently and as part of a team to complete installations efficiently while maintaining high standards of safety, workmanship, and quality.

Flexibility is important, as the post holder may be required to support other areas of the Investment service or work in different locations to meet business needs.

At the date of preparation this role profile provides a comprehensive overview of the position. It is not an exhaustive list of all possible duties, and it is recognised that this role may evolve over time. Consequently, this is not a contractual document, and the post holder will be required to perform any other duties to the equivalent level that are necessary to fulfil the purpose of the job.

Role Outputs

Role Output:	Includes the Requirement to:
Investment	<ul style="list-style-type: none"> - Carryout investment works to kitchens & bathrooms. - Ensure all plumbing components and associated fittings are confirmed as safe at all times. - Installation of a wide range of plumbing appliances, including kitchens, bathrooms and water storage tanks as required. - Setting up and maintaining systems for drainage, sewage, and water supplies - Record all mandatory documentation and record findings as required.

Person Specification

We are seeking a highly skilled and reliable Gas-trained Plumber with proven experience in delivering high-quality kitchen and bathroom installations within demanding deadlines.

The successful candidate will have a strong background in plumbing and gas works, with the ability to manage installations efficiently while maintaining exceptional standards of safety, workmanship, and customer service.

You will be confident working to tight timeframes without compromising quality, demonstrating excellent time management and organisational skills. A proactive and solution-focused approach is essential, particularly when dealing with unforeseen issues on-site.

You will be experienced in all aspects of kitchen and bathroom installation, including pipework, fixtures, fittings, and gas appliance installation, ensuring all work complies with current regulations and industry standards.

Strong communication skills are required, as you will liaise with customers, colleagues, and other trades to ensure smooth project delivery. You must be professional, courteous, and customer-focused at all times, representing the organisation positively.

This role requires the ability to work both independently and as part of a team, using your initiative to prioritise workloads and meet strict deadlines. Attention to detail and a commitment to "right first time" delivery are essential.
