Our Vision

Our residents, customers and partners will recognise us as delivering outstanding levels of customer focus, quality and value. We will play a key role in supporting our members to address our common priorities through our unwavering focus on resident/customer resident satisfaction, resident

/customer value and resident/customer trust. In doing so we will be recognised by our residents, customers and partners as playing a significant role in making Glasgow a great place to live.

Role Summary

The Plasterer is a vital member of the Operations Division, working within the Investment section to deliver high-quality plastering services across the social housing sector. The role focuses on ensuring properties are finished to a high standard through skilled plastering, contributing to safe, comfortable, and well-maintained homes. This post involves attending Investment works and taking to completion whilst demonstrating excellent customer service to a variety of clients.

The post holder will be responsible for carrying out a range of plastering tasks within both occupied and void properties. This includes preparing surfaces, applying plaster coats, repairing damaged walls and ceilings, and achieving smooth, durable finishes. Work may involve patch repairs, full room plastering, skimming, and ensuring all surfaces are ready for decoration.

Applicants must be experienced plasterers with a strong attention to detail and a customer-focused approach.

A full driving licence is required, as the role involves travel to various sites. The successful candidate must ensure all work is carried out in compliance with current building standards, health and safety legislation, and organisational policies.

Respect for tenants' homes is essential, including minimising disruption, maintaining cleanliness, and providing excellent customer service throughout all interactions. Strong communication skills and a professional attitude are key to the role.

Flexibility is important, as the post holder may be required to support other areas of the Investment service or work across different locations to meet operational needs.

At the date of preparation this role profile provides a comprehensive overview of the position. It is not an exhaustive list of all possible duties, and it is recognised that this role may evolve over time. Consequently, this is not a contractual document, and the post holder will be required to perform any other duties to the equivalent level that are necessary to fulfil the purpose of the job.
